WAS GOING TO
COME HERE
FOR SOME
ADVICE FROM
THEY TO TALK

LETTERS

Adios?

Writing...

WROTE OUT THE
LAST THREE
BUT I NEVER
ATTACHED
ANYMORE

DO NOT HURRY
COMMUNICATE
SOMEONE WITH
ME

So, that means that note as well...?

WE WERE HAVING A CONVERSATION AND YOU WERE THERE!

HOWEVER, YOU SUDDENLY LEFT WITHOUT US! OUR CONVERSATION!

AND I COULD HEARING EXACTLY WHAT I HEARD A LOUD NOISE.

BY THE WAY, YOU WERE ALREADY UNDER SUSPECT THAT GROUP.

IF ONLY I COULD GO TO THE TOP OF THE...

However,
if I were
discussing
about "K"
with him,

then
perhaps
he's

Sensei
knows
something
for sure.

not the
"person
I was
in love
with"...?

Hide-kun
sent me
home.

We didn't
said a word
to each other
along the
way.

And
after
that,

I made
him so
angry
but,

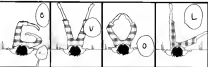

after all that
hoo-hah, "A"
still remains
a bottleneck.

WASTED HIS
MONEY AND
TIME

A's the one
I love after
all

What is
love...?

THE BIRD DON'T BURY ME

DAY OFF

WOWWWW
GOOD
FEELINGS...

GOOD
MORNING
GOOD-MORNING.

Is he
not angry
with me
anymore?

Eh...?

I
can't-

He have
shut me
out from
his heart.

he
chose
to
shut
me
out.

**HIDE-
KUN!**

I can't
just leave
things like
this.

I SHOULD
HAD TO ASK
ANYONE-ANYONE
ABOUT SOME
THING.

THAT'S WHY
I BROKE OUR
PROMISE.

I'M SORRY.

I haven't yet

I'M
SORRY.

I'M NOT
HARD.

YOU'RE
HARD.

YOU'RE
STILL HARD
AT HEART

HARD

THERE'S SOMETHING
THAT I WISH YOU
WOULD REMEMBER

Acchan was
telling me that
I should find
it for myself.

Something
he wish
I won't
remember...

Hide-kun's
saying
something
like this?

Setsuna
refused to
tell me
anything.

and on
top of
that,

But I don't
understand
anything with
this.

I'm
desperately
trying to
remember.
Really,
desperately
trying.

I still'm
feeling
sorry

Adon, I'm

always
making him
look like
this.

Even if there
are many
things that I
still don't
understand,

there's
one
thing

that
I do
under-
stand

That blissful
expression
he had

whenever he
talked about
"me" prior to
the accident,

not
once

Micchan!

had he
shown
it to
the "me"
after the
accident...
